

UK Department of Plant Pathology Timeline

1880s	1900s	1910s	1920s	1930s	1950s	1960s	1970s	1980s	1990s	2000s	2010s				
<p>1885 Kentucky Agricultural Experiment Station established. Gillis Building served as original Experiment Station Building. Plant disease problems were covered by the Departments of Horticulture & Agronomy and Entomology & Botany.</p> 	<p>1905 Scovell Hall becomes next site for Agricultural Experiment Station Building. Plant pathologists (part of Agronomy Department) were located in the basement of Scovell Hall until 1936.</p> 	<p>1910 Agricultural Extension Service established in KY, one of the first in U.S.</p> <p>1918 Mable Roe appointed as Assistant Plant Pathologist in Department of Agronomy (1 year appointment).</p> 	<p>1923 E.M. Johnson appointed Assistant Plant Pathologist (retired, 1966).</p> <p>1924 West Kentucky Substation established (now: UK Research and Education Center at Princeton KY)</p> 	<p>1931 Lawrence Henson appointed (retired 1974).</p> <p>1936 H. H. Thornberry appointed (resigned, 1937).</p> 	<p>1950 Richard Chapman appointed (retired, 1984).</p> <p>1950 J.L. Troutman employed as Assistant in Plant Pathology (resigned, 1953)</p> 	<p>1960 Raymond Hampton appointed (resigned 1970).</p>  <p>1962 R.A. Reinert appointed (resigned, 1967).</p> 	<p>1963 John Oswald appointed University of Kentucky President and Professor of Plant Pathology.</p>  <p>1964 Plant Pathology moves from the Tobacco Research Laboratory to the newly constructed Agricultural Science Center-North.</p> 	<p>1966 Malcolm Siegel appointed (retired, 1998).</p>  <p>1967 Harry Wheeler appointed (retired 1984).</p> 	<p>1971 John Hartman appointed (retired, 2011).</p>  <p>1972 Said Ghabrial appointed (retired, 2013).</p> 	<p>1975 Richard Stuckey appointed (resigned, 1989).</p>  <p>1977 First full-time Plant Disease Diagnostician hired.</p> 	<p>1982 Wayne Wilcox becomes first Plant Pathologist appointed to UK Research and Education Center, Princeton (resigned, 1984).</p>  <p>1984 Donald Hershman appointed to Princeton Research & Education Center (retired,</p> 	<p>1990 Paul Vincelli appointed.</p>  <p>1993 S. He appointed (resigned, 1995).</p> 	<p>2002 Michael Goodin appointed.</p>  <p>2002 Pradeep Kachroo appointed.</p> 	<p>2011 Christopher Schardl appointed Department Chair.</p>  <p>2011 Nicole Ward Gauthier appointed.</p> 	<p>2015 Tyler Dreaden, USFS, becomes Adjunct Faculty.</p>  <p>2016 Robert "Lou" Hirsch appointed as Lecturer</p> 
<p>1889 Harrison Garman (faculty 1889-1928), Botanist & Entomologist, also dealt with plant pathology issues.</p> 	<p>1907 Agricultural Hall built (renamed Mathews Hall)</p>  <p>1908 College of Agriculture founded within the State University.</p> 	<p>1919 WD Valleau appointed first Professor of Plant Pathology at UK in Agronomy Dept. (retired 1961).</p> 	<p>1936 Plant pathologists move from the basement of the Agricultural Experiment Station Building to new Tobacco Research Lab.</p> 	<p>1937 Stephen Diachun appointed (retired, 1978) Dr. Diachun was instrumental in establishing the Department of Plant Pathology. Appointed Department Chair, 1968.</p> 	<p>1953 Granville W. Stokes appointed; became Associate Director of Agricultural Experiment Station in 1966 (retired ca. 1993).</p> 	<p>1962 Christopher Litton, USDA ARS, transferred from Dept. of Agronomy to Plant Pathology. (retired ca. 1987).</p>  <p>1962 Ph.D. offered in Biology with Plant Pathology "cooperating."</p> 	<p>1967 Thomas Pirone appointed (retired, 2001).</p>  <p>1968 John Shaw appointed (retired, 2000).</p> 	<p>1972 Louis Shain appointed (retired, 1999).</p>  <p>1974 Joseph Kuc appointed (retired, 1995).</p> 	<p>1978 Richard Ferris appointed (resigned, 1991).</p>  <p>1979 William Nesmith appointed (retired, 2004).</p> 	<p>1984 Robert J. Shepherd appointed (retired, 1996).</p>  <p>1985 Christopher Schardl appointed.</p> 	<p>1997 Mark Farman appointed.</p>  <p>1999 Peter Nagy appointed.</p> 	<p>2003 Plant Pathology moves to newly constructed Plant Science Building.</p>  <p>2005 Kenneth Seebold, Jr. appointed (resigned, 2014)</p> 	<p>2015 Emily Pfeufer appointed.</p>  <p>2017 Kiersten Wise appointed to Princeton Research & Education Center.</p> 		
<p>1963 Department of Plant Pathology established with Richard Chapman as Chair (during UK presidency of John Oswald).</p> 	<p>1965 C. Yang appointed (resigned, 1972).</p>  <p>1965 D. Poole appointed (resigned, 1972)</p> 	<p>1968 Albert Williams appointed (became UK Horticulture Chair, 1975)</p>  <p>1968 W. Brown, Jr. appointed (resigned 1973)</p> 	<p>1975 Shuh-Ji Sheen transfers from Dept. of Agronomy (retired, 1991).</p>  <p>1979 David Smith appointed (retired, 2012).</p> 	<p>1986 David Smith appointed Department Chair.</p>  <p>1989 W. Walla appointed, Associate Dean for Extension (retired, 2001).</p> 	<p>2006 Aadra Kachroo appointed.</p> 	<p>2015 Carl Bradley appointed to Princeton Research & Education Center.</p>
